

## SIZING

If you are unsure about your size, compare your **body measurements** to the charts provided to determine the correct fit. These charts will give you a good idea of the size to order, but be sure to read special sizing information that may accompany an item description. Some merchandise dimensions may vary from the averages charted here.

### CLOTHING

### CHEST

With tape level, measure around the fullest part of the chest, just under the arms and around the shoulder blades.

### INSEAM

Take a pair of pants that fit you well and measure from the crotch to the bottom of the leg. For shorts, measure from the crotch to where the shorts will end.

### CENTER BACK SLEEVE

With elbow slightly bent, measure from the center back of neck, over point of shoulder, around elbow and down to the wrist.

### MEN'S WAIST

With tape level, measure at the height you prefer to wear your waistband.
